THE PREMIUM PENSION, A FUNDED 'SIBLING' OF THE INCOME PENSION

GOAL

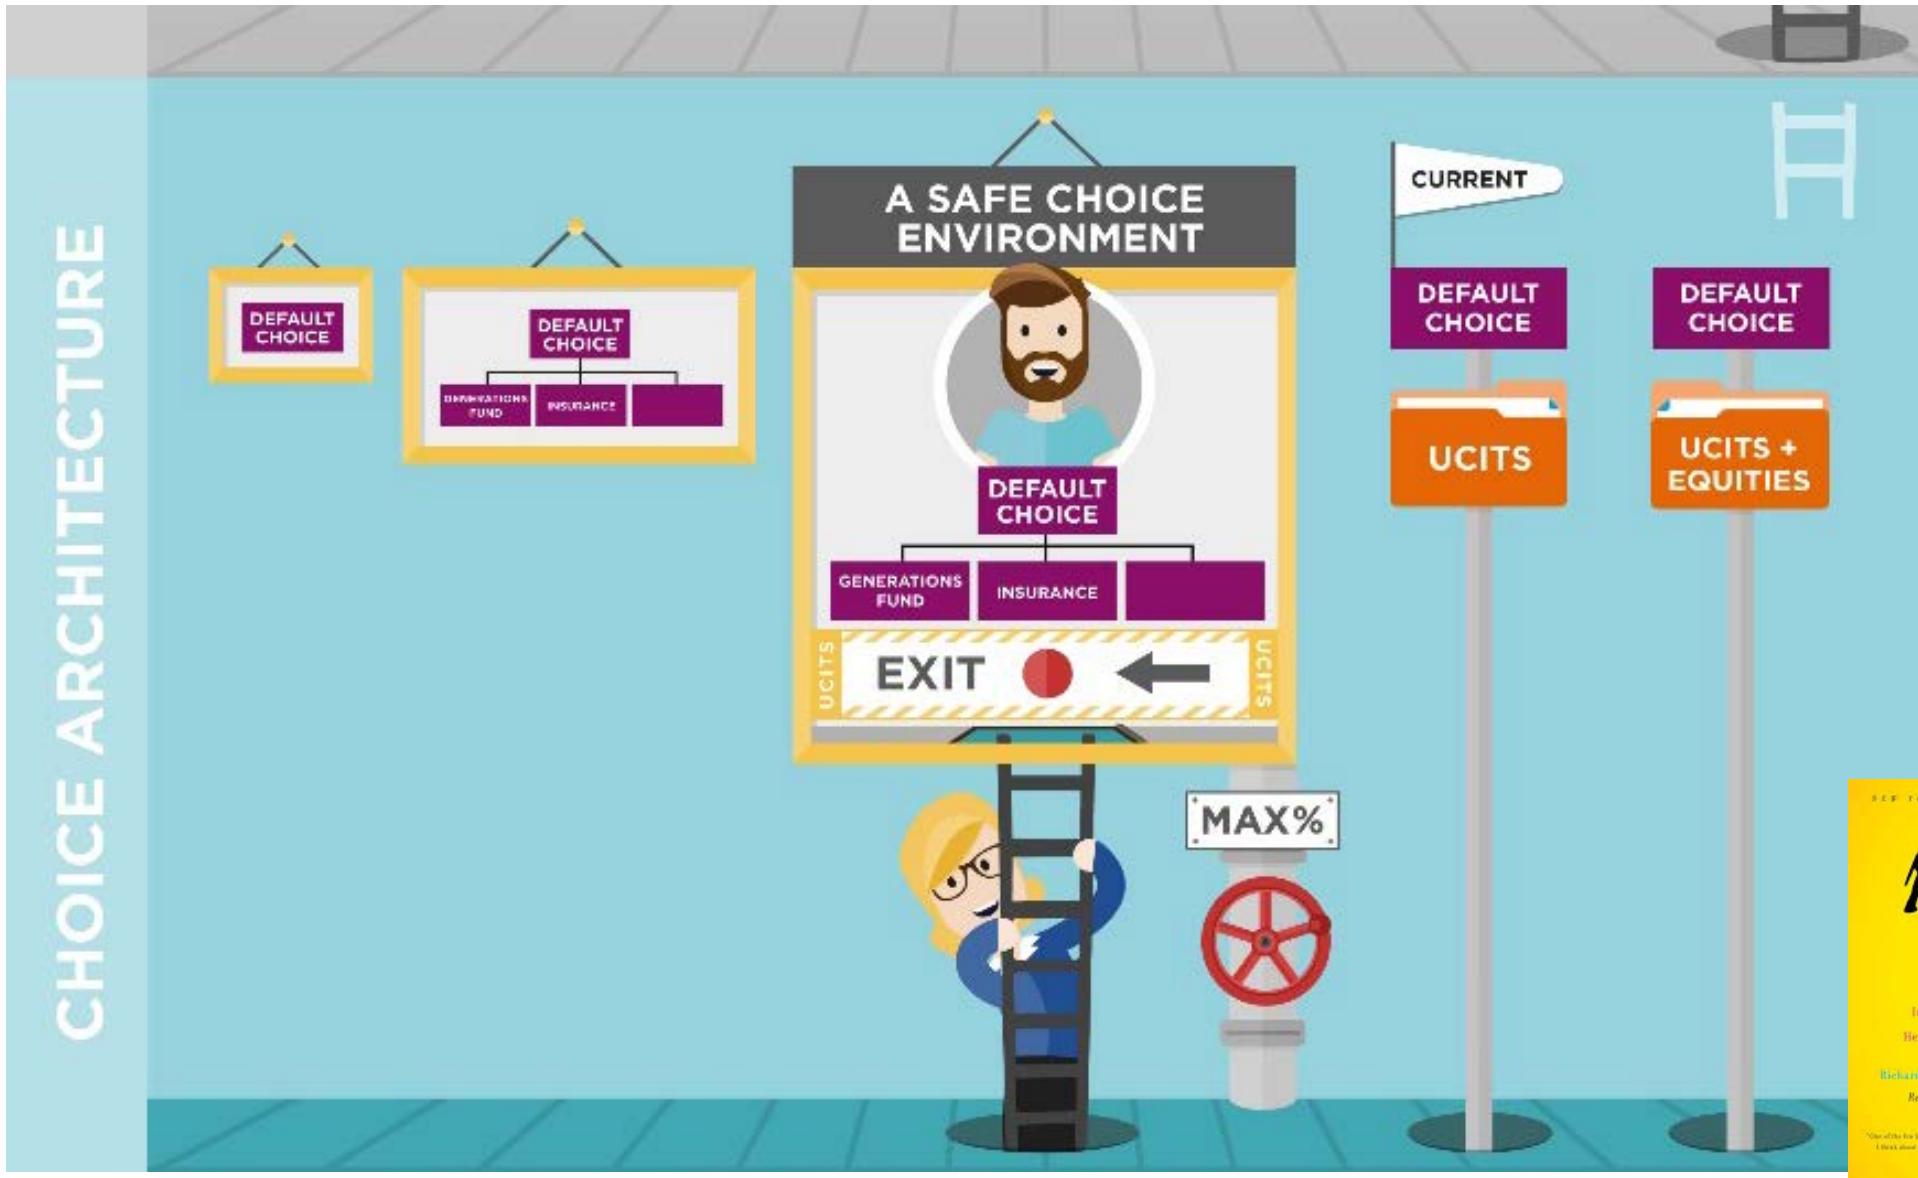

Goal-based criteria

1. The state has overall responsibility
2. Stable retirement income
3. Return higher than income index
4. Some freedom of choice in quality-assured environment
5. Lower risk than in higher levels of the pyramid

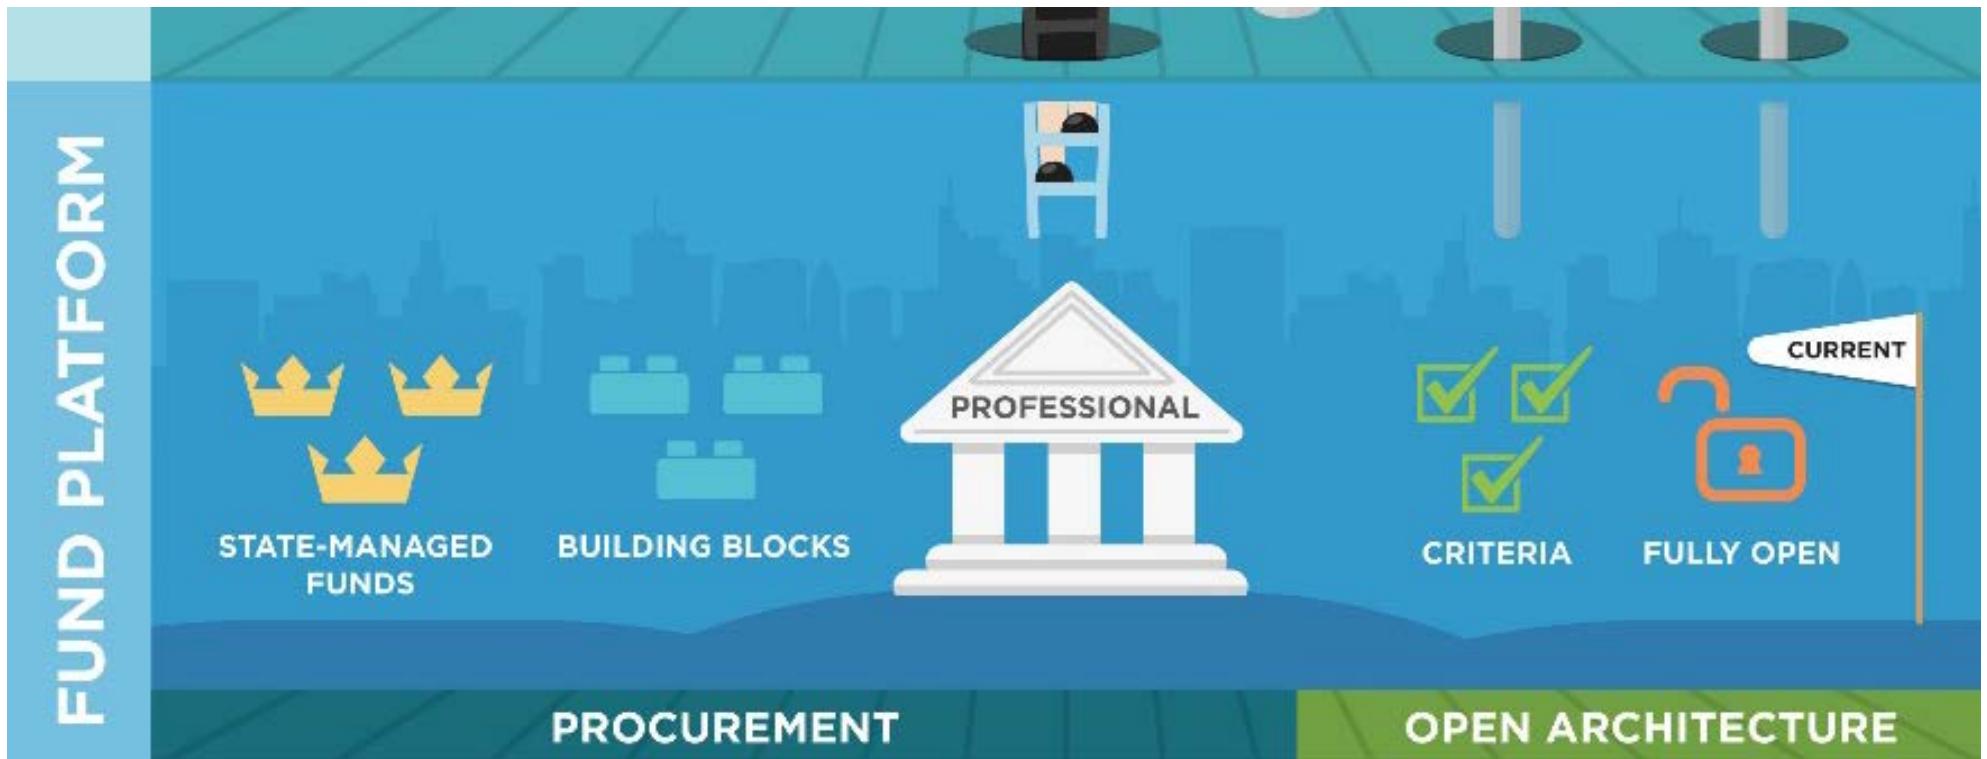

CHOICE ARCHITECTURE

"One of the few books I've read recently that has actually changed the way I think about the world." —Derek Jeter, coauthor of *Winning*

 **Regeringskansliet**

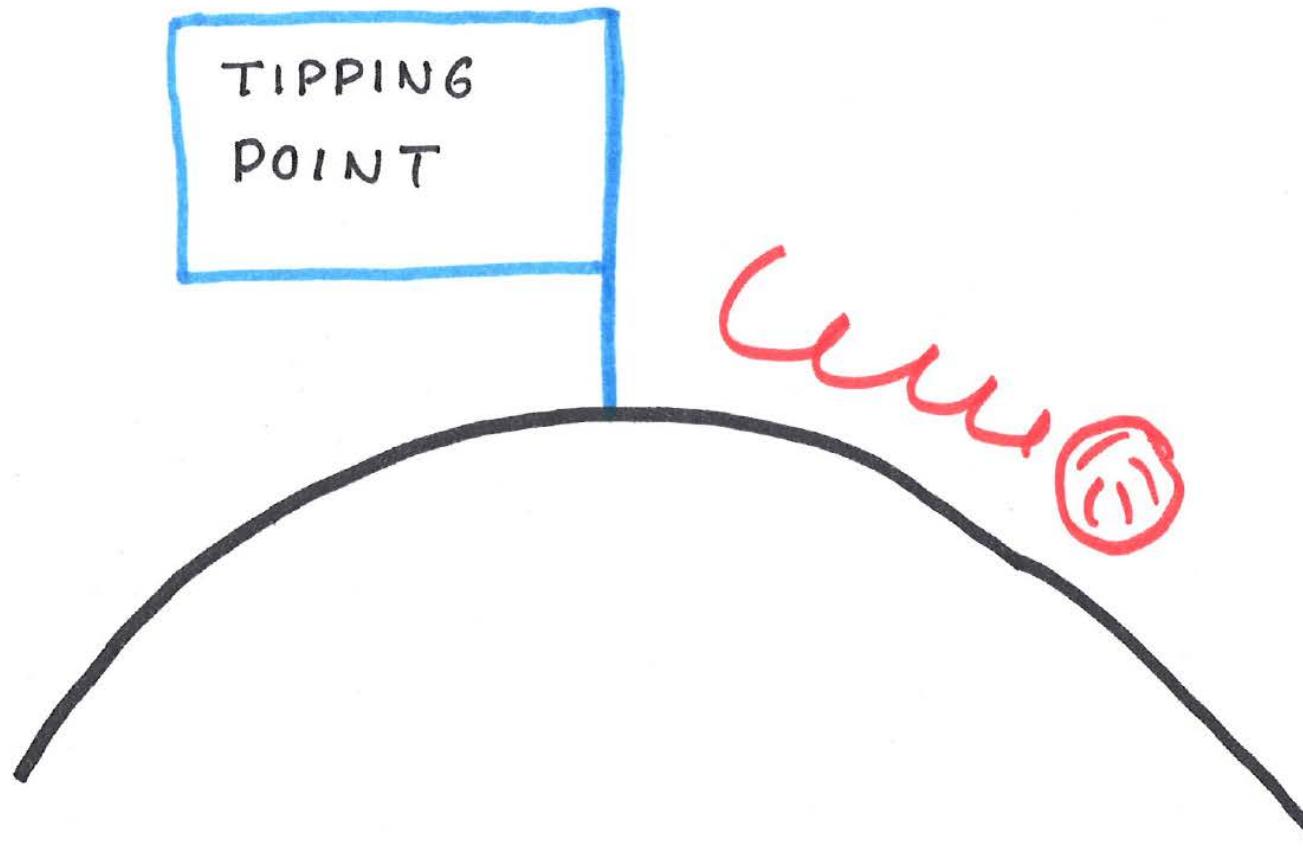

Överenskommelse

Pensionsgruppen

Pensionsgruppens överenskommelse om långsiktigt höjda och trygga pensioner

Följande dokument är den överenskommelse mellan Pensionsgruppens partier som ingåtts för att utveckla pensionssystemet i syfte att säkra långsiktigt höjda och trygga pensioner. Överenskommelsen saknar förfatningsförslag men fungerar som riktlinjer i det fortsatta beredningsarbetet.

The Swedish reforms – a stakeholder story
