

Implementing the Micro Pension Plan in Nigeria

5 June 2018

Background

Section 2(3) of the Pension Reform Act (PRA) 2014 provides that employees of organizations with less than three employees as well as self-employed persons shall be entitled to participate under the Contributory Pension Scheme (CPS) in accordance with Guidelines issued by the National Pension Commission (PenCom)

Legal Framework

- In pursuant to the above, PenCom introduced the Micro Pension (MP) Plan
 - an arrangement for extending pension coverage to the persons working in the informal sector through the CPS
 - The primary objective of the Plan is to provide retirement (old age) income to the targeted group

Operational Modalities of the Micro Pension Plan

Registration

- Flexible and simplified process leveraging on technology
- Registration with a Pension Fund Administrator (PFA)
 - PFAs to open Retirement Savings Account (RSA) for the contributor
 - PFA to communicate a unique Personal Identification Number (PIN) to the MP contributor
- Minimum age for registration is 18 years
- Persons from 15 and below 18 years may be allowed in the future subject to approval/consent of their guardians

Contributions

- Contributions shall be by cash deposit, electronically or through any payment instrument/platform approved by the Central Bank of Nigeria
 - Flexible contribution could be daily, weekly, monthly or as may be convenient
- Every contribution shall be split into two portions:
 - 25% available for contingent withdrawal
 - 75% retained and managed exclusively for retirement benefits (old age income)

Operational Modalities of the Micro Pension Plan

Benefits Administration

- In accordance with the Regulation for the Administration of Retirement and Terminal Benefits issued by the Commission
 - Eligibility for retirement benefits is upon attaining the age of 50 years or on health grounds
- Access to benefits shall be as follows:
 - Contingent Withdrawal
 - Retirement Benefits Withdrawal
 - Deceased/Missing Persons

Investment

- The Funds shall be invested in line with the Regulation on Investment of Pension Fund Assets
- Management fees shall be in accordance with the Regulation on Fees Structure issued by PenCom
- Investment and fees will be treated along the two splits of the contributions, namely:
 - Contingent and retirement assets

Institutional Framework of the Micro Pension Plan

PenCom

- Issue Framework and Guidelines for the regulation and supervision of the Micro Pension Plan
- Protect the rights of contributors and retirees under the Micro Pension Plan
- Create awareness of the Plan
- Resolve issues between contributors and pension operators as well as among other stakeholders under the Plan

PFAs

- Open RSA for the Micro Pension Contributor
- Manage Micro Pension Funds and assets
- Provide customer service & support to Micro Pension Contributors
- Process the payment of benefits
- Render periodic returns to the Commission

- Receive all pension contributions remitted under the Micro Pension Plan on behalf of the PFA
- Hold Micro Pension Funds and Assets in safe custody on trust for the Micro Pension Contributor and named beneficiaries
- Settle all transactions relating to the administration and investment of Micro Pension Funds and assets on behalf of the PFA

PFCs

Consumer Protection

PenCom shall remain greatly involved in enhancing consumer protection in the Micro Pension Plan through its regulatory and supervisory responsibilities in the following areas:

Disclosure and Transparency	 PFAs shall issue simple, clear and standardized RSA statement that provides generic information about the products, the individual pension accounts and/or accrued entitlements in hard or electronic forms PenCom shall encourage disclosure of information on the type of investment, the risks involved and the investment returns
Financial Education and Awareness	 PenCom shall engage and promote financial education and awareness as part of a wider national Financial Inclusion Strategy PenCom shall ensure that all financial education programmes are tailored to also meet the needs of Micro Pension Contributors
TOTTOOTT	
Business Conduct of Pension Operators and Authorized Agents	 Pension services providers and their relevant agents shall be licensed, registered or approved by PenCom before they commence Micro Pension operations in Nigeria Where a third party is involved in the provision of Micro Pension products or services, PenCom shall ensure a comparable level of consumer protection
Complaint Resolution	 PenCom shall require PFAs to provide adequate complaints handling mechanisms PenCom shall monitor the effectiveness of such mechanisms and shall take appropriate supervisory action or impose sanctions where those mechanisms do not work properly PFAs would be mandated to properly disclose to members and beneficiaries' information about the complaints procedure and, where possible and deemed necessary, relevant information on the nature of the complaints resolved

Benefits and Incentives of the Micro Pension Plan

Incentives

- Micro Pension (MP) Contributors shall have access to a portion of their RSA balances
- MP Contributors may qualify for Minimum Pension Guarantee provided they satisfy the requirements outlined in the Guidelines
- MP Contributors can access other incentives that may be provided by PFAs and approved by the Commission
- Conversion from main plan to MP and vice versa is allowed

Benefits

- Provides access to pension for individuals not mandatorily covered under the CPS
- Contributions and access are easy and flexible
- Investment generates income for the contributors
- Contributions will be paid to the Next-Of-Kin in case of death
- On a secondary note, assets will be available for investment in national development projects

Check List

- Program being run as an initiative under the National Financial Inclusion Strategy (NFIS)
- Secured buy-in of NFIS implementing agencies and other critical stakeholders
- Developed draft Framework and Guidelines almost finalized
- Working on supporting application for registration
- Classified prospective participants by income groupings
- Started awareness campaigns to major stakeholders
- Targeting trade unions and associations
